

HOMESTAY FAMILY INFORMATION

Baradene College employs a full-time Homestay Co-Ordinator whose prime responsibility is to find high quality homestay families who will provide a safe and caring environment in their home for our International Students. The homes are within close proximity to the College and on the school bus route for ease of transport. Some are within walking distance of the College.

Homestay families are carefully selected and inspected twice a year by the Homestay Co-Ordinator to ensure that a high standard of service is maintained as required by the College. Homestay families provide three meals a day, a warm and clean bedroom including bed linen, a wardrobe for clothing, a desk for study and suitable heating. Internet facilities are available for students to connect with their families overseas.

We encourage families to include their International student in all family situations and ensure that the evening meal each day is a time when daily experiences are shared round the dining table. We also encourage our families to think of our International students as members of their own family.

The care and happiness of our International students is paramount to the College. The International Team (which includes The Principal, Dean of International Students, Homestay Co-Ordinator and International Student Liaison) work closely at all times to ensure that all students' needs are catered for.
